

Watch CNBC's full interview with legendary investor Seth Klarman

This site is now part of Versant. By continuing, you agree to our Terms. You also acknowledge that our updated Privacy Policy applies, including your existing data. For info on your data rights, click “Your Privacy Choices” or see “Your Rights” in our Privacy Policy.

We and our partners also use tools on this site to provide the services, personalize your experience, and for analytics, marketing, and advertising. If you previously opted out of selling, sharing, or targeted advertising on this site, you will need to update your Privacy Choice.

We may collect personal data from and about you through this site for “targeted advertising,” “selling,” or “sharing,” as defined by applicable privacy laws. Some states provide residents (or their authorized agents) with the right to opt out of these practices. See the “Your Rights” section of our Privacy Policy for more info.

If you reside in one of these states (or are an authorized agent) you can opt out of targeted advertising, selling, or sharing, occurring on this site by moving the toggle below to the left and clicking “Confirm My Choice.” Your choice through the toggle is specific to this site. If you access other Versant sites and services, you will need to opt out for each. Also, if you clear your cookies on this browser or use another browser or device, you will need to opt out again. You can change your choice any time.

In addition to the toggle, you should also provide the information requested in our “Opt-Out Form” (accessible by clicking the “+” below), which will enable us to take action on your opt-out election more broadly than just on this site (e.g., we will be able to stop sharing your email with third parties in order to target you with advertising on other site and services, such as social media platforms).

You may also enable where available and provided for under applicable privacy laws, a universal tool that automatically communicates your opt out preference, such as the Global Privacy Control (“GPC”). If detected, we will process your GPC signal as if you had opted out through the toggle.

If you opt-out, you may continue to see advertising, including ads that may be based on personal information processed before you opted out.

Residents (or authorized agents) of states listed in the “Your Rights” section of our Privacy Policy: To opt out of targeted advertising, selling, or sharing occurring on this site for this browser and device, move the toggle to the left and click “Confirm My Choice.”

Residents (or authorized agents) of states not listed in the “Your Rights” section of our Privacy Policy: If we do not detect that you are in one of the states listed in the “Your Rights” section of our Privacy Policy, we cannot ensure that we will be able to apply your opt out choice, even if you utilize

the toggle.

Please note, your choice through the toggle is specific to this site, for this browser and device. If you access other Versant sites and services, you will need to opt out for each. Also, if you clear your cookies on this browser or use another browser or device, you will need to opt out again. You can change your choice any time.

If you opt-out, you may continue to see advertising, including ads that may be based on personal data processed before you opted out.

You should also provide the info requested in this Opt-Out Form, which will enable us to take action on your opt-out election more broadly than just this site (e.g., we will be able to stop sharing your email with third parties in order to target you with advertising on other sites and services, such as social media platforms).
